

EDUCATION

Sri Eshwar College of Engineering B.E CSE 2024-2028 | CGPA:8.14
Lisieux Matriculation Higher Secondary School HSC | 74% 2023-2024
Lisieux Matriculation Higher Secondary School SSLC | 76% 2021-2022

EXPERIENCE

Intern – Software Development – Dyashin Technosoft 2025

Learned to build full-stack applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Understood how frontend and backend are connected through APIs and HTTP requests and Gained knowledge of industry-standard folder structure and project organization used in real-world applications.

PROJECTS

Smart Tourist Safety Platform : 2025

Developed a full-stack web application to enhance tourist safety using the MERN stack and Google Gemini AI. Implemented features such as emergency SOS alerts, incident reporting, and an AI-powered chatbot for real-time safety guidance. Designed RESTful APIs with Node.js and Express, and managed data using MongoDB. Built a responsive React frontend with dynamic UI and API integration.

Farm2Basket: 2025

Farm2Basket is a full-stack platform that connects farmers directly with customers, eliminating intermediaries and enabling transparent, fair trade. It features role-based access for farmers, customers, and delivery partners. The platform facilitates product listing, ordering, and delivery coordination to streamline the farm-to-consumer supply chain.

FinWise : 2025

Developing an AI-powered financial literacy web application (FinWise) as part of an academic project. Gaining hands-on experience building a full-stack, microservice-based application using the React for frontend, database using MongoDB and Implemented a secure RESTful API with Node.js for user authentication (JWT) and chat persistence, and integrated a separate Python/Flask microservice using a Sentence-BERT model for real-time semantic search.

CERTIFICATIONS

C Programming Course Infosys Springboard	2024
Mastering Data Structures & Algorithms using C and C++ Udemy	2025
SQL Basic and Intermediate Certificate HackerRank	2025

CODING PROFILES

CodeChef Problem Solving bronze badge | [Link](#)
LeetCode Solved 110+ problems | Global rank : 1,190,380 | [Link](#)
Hackerrank Rating - 3 star in c | Rating - 4 star in SQL | [Link](#)
SkillRack Solved 1000+ problems | Received 15 certificates | 340 Bronzes | [Link](#)

ACHIEVEMENTS

Winner of Freshathon at Sri Eshwar College of Engineering (Class Level)
Selected for SIH 2025 - National Level (Online Submission Round)

SKILLS

Programming - C | C++ | Python | Java
Core Concepts - DS | OOP | DBMS
Web Technologies - REACT | EXPRESS | MongoDB Atlas
Database - MySQL | MongoDB
